

Nieuport 17

Société Anonyme des Établissements Nieuport N.17C.1
110hp Le Rhône 9J

Dates: Jul '16 - Oct '17
(rotary tractor)

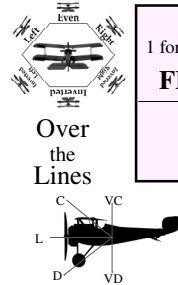

Germany Austria-Hungary France Britain U.S. Belgium Russia Italy

Nicknamed "Superbebe" and "15 Meter Nieuport". The N.17 had larger and stronger wings than the N.11, though there was still a danger of twisting the single-spar lower wing during a dive. Its maneuverability was outstanding and it fought well for several countries until replaced by SPADs and Sopwiths in late 1917.
